THE GRACE THAT POURED FROM YOUR MOUTH**

Fourth Tone

S. Takis

Moderato

Be-cause from your youth you had warm-ly de - si-red the Lord, the
world you a - ban-doned a - long with its earth-ly de - lights and
no-bly lived mute and a - lone. Build-ing your hut be-fore the
gates of your par-ents, you broke the trap of de-mons who were
hid-ing, O bless'd one. So, there-fore you, O John, has
Christ glo - ri - fied worth - i - ly.
