

DOXOLOGIA

This Doxology was composed for my dear friend, George S. Raptis, in honor of the completion of his musical setting of The Divine Liturgy. Melodic lines are based on the sticheric Plagal First Tone, although I did include some creative motives and variations. - N. Takis

NOTE: The voicings have been put in the form of *Melody / Ison*. Thus, for example, *ST / AB* indicates that sopranos and tenors sing the melody, and that altos and basses sing the ison, or lower part.

Allegro ♩ = 140

Today, salvation has come to all the world. Let us sung to Him Who is risen from the tomb, and is the Author of our life; for He has vanquished death by death, and has given us victory and His great mercy.
