Moderato

Your mar-tyrs, O Lord, in their great un-der - tak-ing of strife, a
crown of in-cor - rup-tion on them was a - ward-ed from You who are
God of all, As they re-tained Your pow-er, they have
torn down the ty-rants, shat-ter-ing, too, the de-mons and their
fee-ble pre - sump - tions; so through their in-ter - ces-sions, O
Christ, who are God, grant us that our souls be saved.
