Grave Tone

N. Takis

Moderato

On the moun - tain you were trans - fi - gured, O Christ our God,
and your di - sci - ples saw as much of your glo - ry as they could hold,
that when they should see you cru - ci - fied, they would know that you
suf - fered by your own will and would pro - claim to all the world that you
tru - ly are the splen - dor of the Fa - ther.
